

Name _____

Block _____

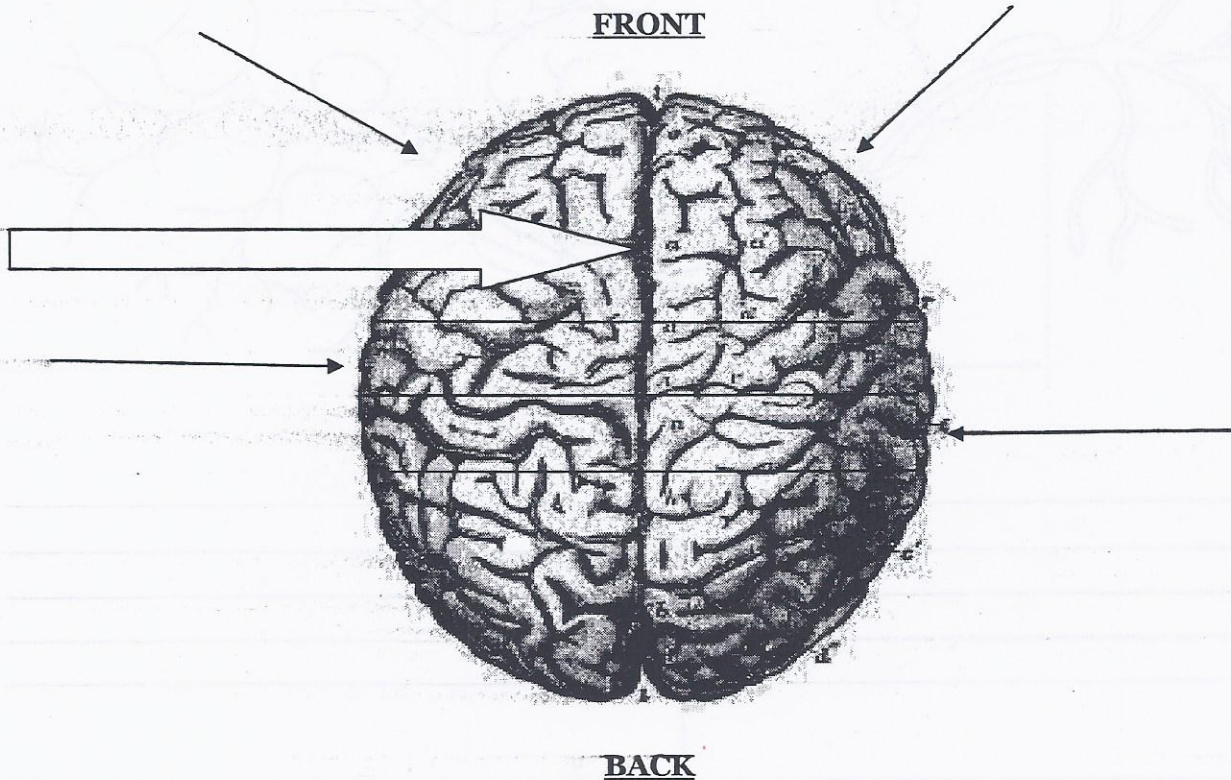

Date _____

Group _____

Brains and More Brains (p. 89-92)

Label the following on the diagram: right hemisphere, left hemisphere, motor cortex, sensory cortex, corpus callosum

The Human Brain (top view)

<u>Part</u>	<u>Function</u>
Corpus callosum	
Motor Cortex	
Sensory Cortex	

REMEMBER:

The right hemisphere controls the _____ side of the body and the left hemisphere controls the _____ side of the body.

The brain is said to be "plastic". Why is this beneficial?
